

RULES ABOUT THE PROPER USE OF TABLET DEVICE

A tablet device (hereinafter referred to as a tablet) is a convenient tool that is useful for everyone's stationery for learning. To help you use your tablet correctly, safely and more effectively, we established "Rules for using the tablet" in Matsusaka City. Let's make each person follow the rules and utilize it.

1 Purpose of tablet rental

To use the tablet rented from school in learning activities.

2 Rules of usage

① To use the table carefully

Touch the screen of the tablet with your finger or a special touch pen.
Do not write on the screen with a pencil or pen, or attach a magnet.
Close the cover and place it in a place where it will not fall if its not in use.
Handle your tablet with care when you carry it.
Do not put it under the bag or put it in the bottom of the bag.
Do not carry it while running or place it on the ground.
Manage it so it won't be lost or taken.
Do not put the tablet in a place that is expose to the sunlight or water or high humidity area.

② To protect yourself and others

Please handle your account (ID) and password properly.
Don't lend or borrow your tablet for no reason.
Refrain from posting personal information (name, address, phone number, photo, etc.) on the Internet.
Don't write anything that can hurt others or make you feel uncomfortable.
When taking pictures of people with the camera, get permission first from the person.

③ For health

Use it in a correct posture, such as keeping your eyes away from the screen.
Take a break from time to time, such as looking at a distant view once every 30 minutes.

④ For using it at home

Keep your tablet in your bag while you go to school and leave school.
Discuss the time and place to use at home with the people at home, and decide the rules for using it at home.
Stop using it 30 minutes before bedtime.
When storing at home, keep it in a place where people at home can see it.
Don't forget to charge it when you bring it home.

3 Regarding rental tablets

① Tablet body

② Case-integrated keyboard

③ Stylus pen

④ Power adapter Charging cable

4 Malfunctions and breakdowns

If you can't use your tablet or the Internet, try restarting.
If that still doesn't work, let the teacher know.
Tell your teacher if your tablet breaks or is lost during use at school.
If you used it at home, tell the person at home immediately and get them to contact the school.
If you use it according to the rules, the school will handle any damage or malfunction.
In that case, the guardian will not bear the cost of repairs.

5 Restrictions on use

The tablet can only connect to the Internet during the following times.

Elementary 6 : 0 0 ~ 2 1 : 0 0

Junior High School 6 : 0 0 ~ 2 2 : 0 0

Access to tablets is restricted by filtering.
You can't connect to You Tube, SNS, or inappropriate sites.
If you enter in a suspicious site, let the teacher know.
The usage details and communication volume are recorded.
Browsing history etc. cannot be deleted.
If you cannot follow the "Rules for using tablet devices" in Matsusaka City, you will not be able to use your tablet.
